

Press Release:

**BEUSSE WOLTER SANKS
MORA & MAIRE, P.A.
AWARDED THE MICHAEL K. REESE
QUALITY OF LIFE AWARD**

In only its 10th year of existence, *Beusse Wolter Sanks Mora & Maire, P.A.* (“*BWSMM*”) was awarded the *Michael K. Reese Quality of Life Award* at the 2011 Annual Florida Bar Convention. Accepting the award on behalf of the firm were Terry Sanks, managing partner, and Amber Davis, the associate who nominated *BWSMM* for this prestigious award.

The *Michael K. Reese Quality of Life Award* recognizes a person and/or entity that, through humanitarian respect, advances balance and fulfillment in lawyers’ lives by redefining current work habits and schedules to provide more flexibility and a more meaningful existence. Each year the Young Lawyers Division (YLD) of the Florida Bar solicits nominations from throughout the state of Florida for this award.

After reviewing all of the nominations, *BWSMM* was unanimously selected for providing a healthy and positive environment for young lawyers and for setting the standard for law offices across the state. *BWSMM* was recognized for maintaining a family-orientated atmosphere for its employees by instituting a cutting-edge employee first program that includes flexible schedules, an opportunity to work in the office or at home, no pressure on associates to meet a billable hour requirement, encouragement to participate in community and bar-related activities, a strong mentorship program, and competitive benefits, vacation time, and maternity leave.

The recipient of the *Michael K. Reese Quality of Life Award* receives a beautiful plaque for their office and the YLD makes a monetary donation to the recipient’s charity of choice. Having a staff member recently retire as she faces her third bout with cancer and a daughter of another staff member currently fighting her second bout with cancer, *BWSMM* chose to donate half of the monetary donation to the American Cancer Society®. *BWSMM* is donating the other half of the monetary donation to the House of Hope of Orlando, a faith-based non-denominational residential housing program for troubled teens.

Beusse Wolter Sanks Mora & Maire, P.A., formed in 2001, focuses its legal representation in all areas of intellectual property law, including patents, trademarks, copyrights, related litigation and business matters. Since its formation, *BWSMM* has grown significantly in response to meeting the needs of its clients, ranging from individuals to multinational corporations. *BWSMM* strives to provide the highest quality service to its clients with professionals mirroring the increasing diversity of the marketplace.
